TO: Prospective Australian Women's Floorball National Team nominees
FROM: AFA Executive
RE: Nomination Process APAC 2011 & World Floorball Championship 2011
DATE: September 2010

Dear Floorball players,

We now have just a few months to prepare for Women's APAC and following World Floorball Championship next year. This means its time to call for commitment financially and on court.

The AFA requests those persons interested to commit for the highest level of participation in Floorball to take action now. We are asking you to nominate yourself for APAC 2011 and/or WFC 2011 by the end of September

Attached you will find a facts sheet providing you valuable information about the nomination process and a nomination form. APAC 2011 will be held in Perth from January 27th to January 30th inclusive. The AFA is considering sending two Australian women's teams to APAC in preparation for WFC 2011, pending the amount of nominations received. WFC 2011 will be held in Switzerland from December 3rd to 11th inclusive.

All selected players must comply with the AFA Anti-Doping Policy and provide information as required by the AFA and IFF. This information will be collected from you after selections have been made so that it's as up to date as possible at the time of the tournaments. To nominate all players must be financial AFA members.

Best of luck with your nomination and selection.

Kind regards,

Steve King
President
Australian Floorball Association
